Dear Jon,

The Moline Foundation has met and considered the various requests for funding in the past month, including that of the East Moline/Silvis Soccer Club.

As a result of your request, we will fund \$10,000.00 to build a new storage garage to store equipment. The check is enclosed.

We would appreciate any mention of this gift in your organization's newsletter and any news media notices.

We wish you and your project much success in the future.

Sincerely,

Joy W. Boruff  
Executive Director  
The Moline Foundation
