In an effort to improve the knowledge and skills of our Club and High School soccer players, and to ensure the continued positive growth and development of the EMSSC and United Township High School soccer programs, we strongly encourage you to attend the EMSSC July Team Soccer Camp.

EMSSC Camps have been held annually since 1990 and are an integral part of the success story of EMSSC and UTHS soccer. The camp will again be held at the Jacobs Park Soccer Facility in East Moline, serving as a cost efficient development tool for all boy's and girl's striving to become better soccer players.

With our boys and girls playing club and high school soccer in the fall, winter, spring and summer, it is vital that they are exposed to experienced coaching staff at some period of the Winter, Spring & Summer season. Although some students do attend Residential Soccer Camps, they are becoming too expensive for the majority of our players to attend.

The EMSSC 2010 Soccer Camp provides the opportunity for our players to familiarize themselves with the coaching staff of EMSSC & United Township High School and attend a productive summer season soccer camp at an affordable cost.

Thank you for your continued support of EMSSC and United Township High School Soccer, we hope to see you there.
